We're goin' to Kansas City
Kansas City here we come
We're goin' to Kansas City
Kansas City here we come.

They got some crazy little women
And we're gonna get us one
We go on and stand on the corner
Of 12th street in line.

We'll be standin' on the corner
Of 12th in line.
With our Kansas City baby
And our bottle of Kansas City wine.

We might take a train
We might take a plane
But if I have to walk
I'm gonna get there just the same.

We're goin' to Kansas City
Kansas City here we come
They got some crazy little women
And we're gonna get us one.

Well, if we don't have these women
We know we're gonna die
Gotta find a brand new baby
And that's the reason why.

We're goin' to Kansas City
Kansas City here we come
Got some crazy little fellows
And we're a gonna get us one.

--- Instrumental ---

Well, if we don't have these women
We know we're gonna die
Gotta find a brand new baby
And that's the reason why.

We're goin' to Kansas City
Kansas City here we come
Got some crazy little fellows
And we're a gonna get us one...
