If there ever was an angel  
Then surely you must be one  
If there ever was a perfect love  
When I look at you I see one.

If there's heaven here on earth  
Then this must surely be  
I want you to be  
The last one to touch me.

The last thing I remember  
Before I go to sleep  
Is the touch of your sweet lips  
Softly kissing me.

And so when I awaken  
From my eternal sleep  
I want you to be  
The last one to touch me.

And when it's time to lay me down  
For my eternal sleep  
Once more let your fingers  
Softly touch my cheek.

If I know that you have touched me  
Then I can sleep in peace  
I want you to be  
The last one to touch me.

And when the night is over  
And time will be no more  
They say that we shall meet again  
Upon the golden shore.

And so when I awaken  
From my eternal sleep  
I want you to be  
The last one to touch me.

I want you to be

The first, the last, the only one  
To touch me...
