I know why you're lonely and I know why you're blue
You're lonesome to see him and you long to see her
too
We're not in love with each other we're in love with our
best friends
So let's invite them over again.

We talk it over and over and we know it's not right
We should stay away forever but we're lonesome each
night
Yes, we stay away for awhile but we know in the end
We'll invite them over again.

--- Instrumental ---

We talk it over and over and we know it's not right
We should stay away forever but we're lonesome each
night
Yes, we stay away for awhile but we know in the end
We'll invite them over again...
