Well, Eve deceived old Adam
Delilah lied to Samson
And Jezabele she played it well
So Ahab paid the ransom
You're standing there a-smilin'
Yeah, as lovely as can be
So, come over here and help me baby
Let's make history.

No, don't hand me that one red apple
'Cause I'm a-gonna shake the tree
And you don't have to cut my hair
To let me know I'm weak
So get your arms around me
I'm as happy as I can be
Come over here and help me baby
Let's make history.

--- Instrumental ---

Well, a hundred years from now
They'll tell of how you done me
But it won't matter then
I won't need their sympathy
You're love is gonna be worth it
With all of my misery
So come over here and help me baby
Let's make history.

No, don't hand me that one red apple
'Cause I'm a-gonna shake the tree
And you don't have to cut my hair
To let me know I'm weak
So get your arms around me
I'm as happy as I can be
Come over here and help me baby
Let's make history.

Come over here and help me baby
Let's make history...
