Well, I was ruling the roost, had all the chicks to myself.  
And suddenly it happened, that funny little feeling I  
felt.

Well, I tried to outrun it, but it finally caught up with me.  
Tell me how can I run from something that I can't see?

Chorus:

Oh, that little bitty teeny weeny thing they call the  
lovebug.

Nobody's ever seen it, but it's got the whole world  
shook up.

It all started with a little bitty kiss and a hug.

It's a little bitty teeny weeny thing they call the lovebug.

Well, I always thought that I had me a pretty good style,  
But I lost that race by a good old country mile.

Yeah, I was walking all around

With my head held way up high,

And it fooled me, hit me, really took me by surprise.

Chorus:

Oh, that little bitty teeny weeny thing they call the  
lovebug.

Nobody's ever seen it, but it's got the whole world  
shook up.

It all started with a little bitty kiss and a hug.

It's a little bitty teeny weeny thing they call the lovebug.

Yes, a little bitty teeny weeny thing they call the  
lovebug...
