My Lord, has called me today  
To go the straight and narrow way  
So for my Lord I'll surely live  
Yes, my Lord has called today.

God warned us all  
To live in sin no more  
To place our faith in him  
To reach the other shore.

My Lord, has called me today  
To go the straight and narrow way  
So for my Lord I'll surely live  
Yes, my Lord has called today.

--- Instrumental ---

God warned us all  
To live in sin no more  
To place our faith in him  
To reach the other shore.

My Lord, has called me today  
To go the straight and narrow way  
So for my Lord I'll surely live  
Yes, my Lord has called today.
