If you want to see somebody cry their heart out  
For a love they lost and must live without  
If you're not afraid my misery might rub off on you  
Just hang around my tears are overdue.

If you want to hear confessions from a broken man  
Who once held a world of love, right in his hands  
If you wanna see a heartbreak, right in two in front of  
you  
Just hang around my tears are overdue.

Now there's not a way that I can say how much it really  
hurts  
When a broken heart and guilty conscience starts to  
work  
I hope you won't forget the sight you see today  
Just remember love I had then threw away.

If you're not afraid my misery might rub off on you  
Just hang around my tears are overdue.  
Just hang around my tears are overdue...
