Hey George. did you know Waylon and Willie?

Did you roger was king of the road?  
Uh Huh, you got it Possum.

Everyone knows Hanks been in prison  
We didn't know that.  
Dolly's got two big reasons she's well known.

Look out, they call me no show Jones  
Instead of just singin' my songs  
My whereabouts are unknown.

Loretta is closed my daughter  
Ah, she's mighty pretty son.  
Johnny wears back his tans all along.

Everyone knows about Kenny, he's a gambler.  
Now I didn't know that.  
Tell everyone about Tammy, George  
Tammy had some kind excuse she divorced George  
Jones.

They call me no show Jones  
He said I'm better off instead of just singin' my songs  
My whereabouts are unknown.

They call me no show Jones  
I'm still never on, on what? the stage.

They call me no show Jones  
They call me no show Jones  
They call me no show Jones...
