Well old King Kong was a hell of'va gorilla  
He stood four stories tall  
They shot him with missiles from aeroplanes  
But he refused to fall  
With Faye Ray in the palm of his hand  
He'll walk right over the world  
'Cause just like me he would do anything  
Just to keep his girl

Yeah, old King Kong was just a little monkey  
Compared to my love for you  
If you treat right, every night  
And to do what you wanted to  
I said it's bigger than both of us  
And now you know it's true  
Old King Kong was just a little monkey  
Compared to my love for you

Now when King Kong met Godzilla  
He made that lizard crawl  
It wasn't until he put his woman down  
That she saw those big tears fall  
And when you're walking next to me  
I swear I can fill his shoes  
Old King Kong was just a little monkey  
Compared to my love for you

Yeah, old King Kong was just a little monkey  
Compared to my love for you  
If you treat right, every night  
And to do what you wanted to  
I said it's bigger than both of us  
And now you know it's true  
Old King Kong was just a little monkey  
Compared to my love for you

Old King Kong was just a little monkey  
Compared to my love for you...
