The warden led a prisoner down the hallway to his  
doom  
I stood up to say good-bye like all the rest  
And I heard him tell the warden just before he reached  
my cell  
'Let my guitar playing friend do my request.' (Let  
him...)

Sing me back home with a song I used to hear  
Make my old memories come alive  
Take me away and turn back the years  
Sing Me Back Home before I die.

I recall last Sunday morning a choir from off the street  
Came in to sing a few old gospel songs  
And I heard him tell the singers 'There's a song my  
mama sang.  
Could I hear it once before you move along?'

Won't you  
Sing me back home with a song I used to hear  
Make my old memories come alive  
Take me away and turn back the years  
Sing Me Back Home before I die.

Sing Me Back Home before I die...
