Skip as rope, skip a rope  
Listen to the children while they play  
Now ain't it kinda funny what the children say  
Skip a rope.

Daddy hates mommy, mommy hates dad  
Last night you should of heard the fight they had  
Gave little sister another bad dream  
She woke us all up with a terrible scream.

Skip as rope, skip a rope  
Listen to the children while they play  
Now ain't it kinda funny what the children say  
Skip a rope.

Cheat on your taxes, don't be a fool  
Now what was that they said about a golden rule  
Well, never mind the rules, just play to win  
And hate your neighbour for the shade of his skin.

Skip as rope, skip a rope  
Oh, listen to the children while they play  
Ain't it kinda funny what the children say  
Skip a rope.

Stab 'em in the back, that's the name of the game  
And mommy and daddy are who's to blame.

Skip a rope, skip a rope  
Just listen to the children while they play  
It's really not funny, what the children say  
Skip a rope, skip a rope.

Skip a rope, skip a rope.  
Skip a rope, skip a rope.  
Skip a rope, skip a rope.
