There's a picture that I carry
One we made some time ago
When they ask who's in the picture with me
I say just someone I used to know.

Just someone I used to spend some time with
Just a flame that lost it's glow
I don't tell them how long I been without you
I say just someone I used to know.

--- Instrumental ---

Just someone I used to run around with
Just a friend from long ago
I don't tell tell them how lost I am without you
I say just someone I uaed to know...

I say just someone I used to know...
