Take me, take me to your darkest room
Close every window and bolt every door
The very first moment I heard your voice
I'd be in darkness no more.

Take me to your most barren desert
A thousand miles from the nearest sea
The very moment I saw your smile
It would be like heaven to me.

There's not any mountain too rocky to climb
No desert too barren to cross
Darlin', if you would just show a sign of love
I could bear any loss.

Take me to Siberia
And the coldest weather of the winter time
And it would be just like spring in California
As long as I knew you were mine

There's not any mountain too rugged to climb
No desert too barren to cross
Darlin', if you would just show a sign of love
I could bear any loss...
