Draw me a picture, guess I'm a fool
I won't believe a word, they say about you
Send me a paper have it notarized, too
That still won't mean a thing, till I hear it from you.

Draw up a picture, might as well paint it blue
That's how I know I'll feel, if I find hope that's true
Write me a letter, address it a fool
I won't believe it then, till I hear it from you.

They like me in Pittsburgh, everywhere I go
The sudden conversation, he'll be the last to know
Put it in the papers, make it headline news
I won't believe it then, till I hear it from you.

I won't believe it then, till I hear it from you...
