I've got a pocket full of pennies,  
The heart full of gold  
Though my troubles are many,  
I have treasures untold.  
And the shack that I live in  
Is a palace to me  
For the treasure of love  
The treasure of love, you gave to me.  
--- Instrumental ---  
In this world there are riches  
That money can't buy  
Like the treasure of true love  
A love that won't die.  
So why should I worry  
What tomorrow will bring  
For the treasure of love  
The treasure of love, makes me a king.  
--- Instrumental ---  
Though my clothes are all tattered  
And I've seen better days  
Know it really don't matter  
For I'm rich another way.  
Yes, my pockets are empty  
But still wealthy, I'll be  
With the treasure of love  
The treasure of love, you gave to me...
