"Victory"

Visit "[Victory](#)" on MotoLyrics.com

Everybody (everybody)
Come on lets celebrate (come on lets celebrate)
Dance in freedom (dance in freedom)
Give God the highest praise (give God the highest
praise)

Everybody (everybody)
Worship in unity (worship in unity)
The enemy's defeated (the enemy's defeated)
We got the victory (we got the victory)

He is strong and mighty, mighty in battle
He is more than able nothing's impossible
We are victorious give God a shout
Lift up your voice there's a praise coming out

(Repeat)

We have victory (victory) Victory (victory)
You got it (we have the victory) (2x)

Celebrate (celebrate) Celebrate (celebrate)
Come on (come on lets celebrate) (2x)

Lift your voice (lift your voice) Lift your voice (lift your
voice)
Come on (come on and shout for joy) (2x)

We have victory (victory) Victory (victory)
You got it (we have the victory) (adlib and fade out)
