When did you stop lovin' me
How long have I been a memory
I gotta know for my own sanity
Tell me when did you stop lovin' me.

There was a time when you worshipped where I stood
Heaven knows I'd bring it back if I could
Now I can tell when we make love it ain't me you're
thinkin' of
Tell me when did you stop lovin' me.

--- Instrumental ---

Was it that night that you stayed out until dawn
You know that night has haunted me, oh, for so long
Or was your love already gone, tell me please, oh, I've
gotta know
Darling, when did you stop lovin' me.

There was a time when you worshipped where I stood
Heaven knows, I'd bring it back if I could
Now I can tell when we make love it ain't me you're
thinkin' of
Tell me when did you stop lovin' me.

Tell me when did you stop lovin' me...
