Well, tonight when you lay lonely in your king size bed  
With a hunger inside you can feel  
Will, I'll be the empty place laying next to you  
And when your phone don't ring it'll be me

It'll be me not calling you, crying like I used to do  
A-crawlin' on my hands and knees  
It'll be me not on the phone, begging let me come back  
home  
And when your phone don't ring, it'll be me.

--- Instrumental ---

Well, tonight it'll be my car not in your driveway  
And you'll wonder where on earth I could be  
It'll be my footsteps you don't hear in the hallway  
And when your phone don't ring, it'll be me.

It'll be me not calling you, crying like I used to do  
Crawlin' on my hands and knees  
It'll be me not on the phone, a-begging let me come  
back home  
And when your phone don't ring, it'll be me.

--- Instrumental ---

Aw, it'll be me not calling you, crying like I used to do  
Crawlin' on my hands and knees  
It'll be me not on the phone, a-begging let me come  
back home  
And when your phone don't ring, it'll be me.

Yes, when your phone don't ring, it'll be me...
