Well, I thought you'd found your happiness
Right here lovin' me
I thought my life was so complete
But how wrong can one man be.

You were the perfect deceiver
Yes, you knew just what to do
So who will I be loving now
'Cause, I won't be lovin' you?

You told me that you loved me
And that you were satisfied
I couldn't see the truth 'cause I
Had love all in my eyes.

And now you've found another
And it tears my heart in two
So who will I be lovin' now
Since I won't be loving you?

So tell me where I'll go now
Tell me what I'll do
Who's lips will I be kissin'
Since I won't be kissin' you?

Well, I feel so lost and helpless
How can I start anew
So who will I be loving now
Since I won't be lovin' you?

So who will I be loving now
Since I won't be lovin' you?...
