Would it do me any good if I called on the phone
Tell you I'm sorry for doing you so wrong
And say that I need you the way you said that I would
Should I hope for tomorrow, oh, my sorrow
Would it do me any good?

Would it do me any good if I knocked on your door
To say that I'll never turn on you anymore
To me she meant nothing and she never could
Will we have a new beginning, should I dream of some
day when you
Would it do me any good?

It's hard to be somebody but it's so easy to be a fool
With one mistake it's as if you break everyones rule
To me she meant nothing and she never could
Should I hope for tomorrow, oh, my sorrow
Would it do me any good?
