You are the one, you're the one in my heart
You're my darling, my lifes greatest thrill
You are the one in my heart and I know
That I love you and I always will.

I've had some sweethearts and dear so have you
And I've done somethings I know I shoul'n't do
We tasted life both the bitter and the sweet
It helps us to know love when we get to meet.

Chorus:

You are the one, you're the one in my heart
You're my darling, my lifes greatest thrill
You are the one in my heart and I know
That I love you and I always will.

--- Instrumental ---

We pay for our future with the tears from the past
It helps us know when we've found love at last
I didn't know what joy was till I've been through
I didn't know what love was till I met you.

Chorus:

You are the one, you're the one in my heart
You're my darling, my lifes greatest thrill
You are the one in my heart
And I know that I love you and I always will...
