Well, you can have her I don't want her
She didn't loved me anyway
She only wanted someone to play with
But all I wanted was a love to stay.

When you're stuck with the wrong woman
There ain't that much that you can do
You just dig a hole and crawl right in it
Then you pull the ground right over you.

Well you can have her I don't want her
She didn't loved me anyway
She only wanted someone to play with
But all I wanted was a love to stay.

The girl I love she upped and left me
She ran away with my best friend
Comes home at night for just for an hour
When daylight comes she's gone again.

Well life without love is mighty empty
But confession is good for your soul
I'd rather have love for just an hour
Than have the world and all of it's gold.

Well, you can have her I don't want her
She didn't loved me anyway
She only wanted someone to play with
But all I wanted was a love to stay.

Now, you can have her I don't want her
She didn't loved me anyway
She only wanted someone to play with
But all I wanted was a love to stay...
