I never thought I'd find someone
Who could make me stay at home
I thought I always wanted to be free
But you walked into my life
And today you are my wife
And made a believer out of me.

You said that I belonged to you
And my running days were through
And I realized then that's how it had to be
And you made a believer out of me.

Yes, you made a believer out of me
You convinced me that I needed you
And I don't want to be free
Yes, you made a believer out of me

--- Instrumental ---

You said the women that I knew
Could never take the place of you
You promised to erase their memory
You gave your love and now I know
It won't be hard to let them go
You made a believer out of me.

I'll stay with you both day and night
'Cause your love is outta sight
I hope that you don't never set me free
And you made a believer out of me.

Yes, you made a believer out of me
You convinced me that I needed you
And I don't want to be free
Yes, you made a believer out of me...
