He embarrasses his child and wife  
Lord, he leads a miserable life  
But still he thinks the bottle is his right hand

Yes and he can tear down more  
Than he's ever built before  
A man can be a drunk sometimes  
But a drunk can't be a man

He lets your business lag behind  
For the nightlife he can find  
Why he does all this he'll never understand

And in the morning when he wakes up  
Lord, he can't wait to fill his cup  
A man can be a drunk sometimes  
But a drunk can't be a man

For he goes from Dr. Jekyll to Mr. Hyde  
He seems proud to have the devil for his guide

Still he keeps on reachin' out  
Lord, he needs a helping hand  
But a man can be a drunk sometimes  
But a drunk can't be a man

Yes, a man can be a drunk sometimes  
But a drunk can't be a man
