George Jones & Randy Travis

(Randy)

Not too many years ago
When dreams weren't comin' true
I'd reach for inspiration
Sometimes it would be you.

I'd hear you on the radio
I sure did like your sound
Say its good to know
There is still a few ol' country boys around.

(George)

From the smoke its hard to tell
What's coming down the line
We heard you were a fast train
Coming out of Caroline.

We wondered what were you were haulin'
When you rode into town
Say it's good to know
There is still a few ol' country boys around.

(Randy & George)

You must have felt that same ol' feeling
More than once or twice
Guitars pressed against our hearts
Under the neon lights.

(George)

I've got to say that feeling
Is the best that I have found
Lord its good to know
There is still a few ol' country boys around.

(Randy)

There's a lot of truth ya know
In our kind of songs
About the life your living
And how love's done you wrong.

(George)
As long as there's a jukebox
And a honkytonkin' town
It's good to know
There is still a few ol' country boys around.

(Randy)
It's good to know
There is still a few ol' country boys around...
