(Hank Williams)

For years we both have lived on pride dear  
And we agree that love is gone  
Why, oh why, do we keep tryin'  
A house without love is not a home.

The love light in your eyes has faded  
And I'm contented just to roam  
We slaved to gain a worthless treasure  
A house without love is not a home.

--- Instrumental ---

No matter where our footsteps wander  
I know we'll both be all alone  
With the pride that came between us  
A house without love is not a home.

The simple things have gone forever  
We wanted wealth to call our own  
Now we've reached the hour of parting  
A house without love is not a home...
