George Jones and Janie Fricke

You've been right and I've been wrong  
I've been weak and you've been strong  
You've been good and I've been bad  
And I think I've had enough of that.

All I want to do in life  
Is to love somebody with all of my might  
All I want to do in life  
Is to love somebody with all of my might.

I love the days and you love the night  
Oh, I love to love and you love to fight  
And when I talk to you you're far away  
Aw, It just gets harder everyday.

All I want to do in life  
Is to love somebody with all of my might  
All I want to do in life  
Is to love somebody with all of my might.

--- Instrumental ---

I wish you were a friend of mine  
And I wish you were with me all the time  
You say I've dreamed my life away  
Well honey, if I do that'll be okay.

All I want to do in life  
Is to love somebody with all of my might  
All I want to do in life  
Is to love somebody with all of my might.

All I want to do in life  
Is to love somebody with all of my might  
All I want to do in life  
Is to love somebody with all of my might.

--- Instrumental to fade ---
