(Spoken)

Thank you very much
We've got a request for a fast one.
We don't usually do rock and roll numbers
But I don't know but about a verse of this one
But I'll do it. It goes like this.

(Sang)

Well, I got a gal named bony moronie
Well, she's got a neck like a stick of macaroni
You outta see her rock and rollin' with her blue jeans on
Makin' love underneath the silvery moon.

I love her, and she loves me
And both as happy as we can be
Makin' love underneath the apple tree.

--- Instrumental ---

Well, I got a gal named bony moronie
Yeah, She's got a leg like a stick of macaroni
You outta see her rock and rollin' with her blue jeans on
Makin' love under the silvery moon

I love her, and she loves me
Makin' love underneath the apple tree.

Makin' love underneath the apple tree.
Makin' love underneath the apple tree.
Makin' love underneath the apple tree...
