(Dearly beloved we are gathered together in the
presence of God and these witnesses
To join this man and this woman in the bonds of holy
matrimony
Do you Tammy take this man George to be your
lawfully wedded husband
To love and to cherish until death do you part)
I'll take this man and by him I'll stand I promise that
we'll never part
To him I'll be true there'll be no one new from now till
death do us part
(And do you George take this woman Tammy to be
your lawfully wedded wife
To love and to cherish until death do you part)
Yes I'll take this woman she'll be mine forever and I'll
love her with all of my heart
To have and to hold my love won't grow cold I promise
till death do us part
We'll take each other from this day forward together in
sickness or health
United with love we'll face life together if we're poor or
if we have wealth
For better or worse you'll always come first and no one
can keep us apart
Yes we take each other forsaking all others together till
death do us part
(I now pronounce you man and wife)
