I see Christian pilgrim  
Soul redeemed from sin  
Called out of darkness  
A new life to begin

Were you ever in the valley  
Where the way is dark and dim  
Did you ever drink the cup  
Of lonliness with him?

Did you ever have them laugh at you  
And say it was a fake  
The stand that you so boldly  
For the Lord did take

Did they ever mock at you  
And laugh in ways quit grim  
Did you ever drink the cup  
Of lonliness with him?

--- Instrumental ---

Did you ever try to preach  
Then hold fast and pray  
And even when you did it  
There did not seem a way

And you lost all courage  
Then lost all your vim  
Did you ever drink the cup  
Of lonliness with him?

Aw, my friend 'tis bitter sweet  
While here on earthly sod  
To follow in the footsteps  
That our dear Savior trod

To suffer with the Savior  
And when the way is dark and dim  
To drink of the bitter the cup  
Of loneliness with Him
