I'm dreaming tonight of the mountains  
That's where I long to roam  
The roosters crow at the break of day  
In my Dixie home, sweet home

Old people here they just don't care  
I never saw the beat  
That road ahead is mighty long  
But it's Dixiland for me.

--- Instrumental ---

I'm going back to my old home  
In the mountains far away  
Where the wild red roses smell so sweet  
And the rippling waters play.

Old people here they just don't care  
I never saw the beat  
That road ahead is mighty long  
But it's Dixiland for me.

--- Instrumental ---

This city life is not for me  
I'm going where the neighbors speak  
That road ahead is mighty long  
But it's Dixiland for me.

Old people here they just don't care  
I never saw the beat  
That road ahead is mighty long  
But it's Dixiland for me.

That road ahead is mighty long  
But it's Dixiland for me...
