(Both)

They say a man's home is his castle

He's like a king on a throne

(Gene)

It may be a shack down alongside of track

But everything in it's his own

(Both)

So don't think of taking his loved one

It's written Thou shall not steal

Don't rob another man's castle

No matter how lonesome you feel.

Don't rob another man's castle

Don't take his darling away

(George)

Strange as it seems when you steal a man's dreams

You'll never know how much you'll pay.

(Both)

So don't rob a man of his sunshine

You'll break his heart don't you see

I robbed another man's castle

Now someone just stole her from me...
