DON'T THINK I DON'T LOVE YOU

(Dallas Frazier)

© '66 Blue Crest Music

Your old cheatin' heart has finally caught you
A thousand times I told you that it would
A great big wall has come between us
And I wouldn't even love you if I could
So don't think it ain't been fun cause it ain't
Don't think I still can't care cause I can't
Don't think my mind won't change cause it won't
Don't think I don't love you cause I don't
Well all my tossing and turning nights are over
I don't even feel a touch of blues
Once more I can see the sun a shining
Shining though I know I'm over you
So don't think it ain't been fun cause it ain't...
Don't think I don't love you cause I don't

ONCE A DAY

(Bill Anderson)

© '64 Moss Rose Publications

When I found somebody new I thought I never would
Forget you for I thought then I never could
But time has taken all the pains away
Until now I'm down to hurtin' once a day
Once a day all day long
And once a night from dusk till dawn
The only time I wish you weren't gone
Is once a day every day all day long
I'm so glad that I'm not like a guy I knew one time
He lost the one he loved then slowly lost his mind
He sat around and cried his life away
Lucky me I'm only crying once a day
Once a day all day long...
Once a day every day all day long

IF YOU BELIEVE

(Darrell Edwards)

(Life's supreme reward receive if you believe)
Oh the promise of tomorrow will banish all your sorrow
No need to grieve if you believe
There will be a brighter future and a way prepared
To suit your every need if you believe
If you believe so will it be it's true for you it's true for
me
Somewhere down that narrow road he'll relieve your
heavy load
Life's supreme reward receive if you believe
If your life is not inspiring and your days are long and
tiring
Rest receive when you believe
Nothing here below can measure up to heaven's lasting
treasure
Be not deceived only believe
If you believe so will it be...

BLINDFOLD OF LOVE

4-0-33

Well the two new people that's moved to the middle of
the block
And we're at the top of the town and don't you think
we're not
For we got love and happiness people envy us you see
For we found heaven right here on earth at 4-0-33
Yes we found what most people are looking for
And it's not a lotta money to spend on a real fine car
But it's so when and where a bird flies and sings so
free
And there's whole lotta winds in this little house at 4-0-
33
The four thousandth block proves what true love can do
Once a lonely place but was sold to me and you
Oh all around the house you can see little children play
And they're not as a people's kids were proud to say
They are the symbol of our love for all the world to see
They're a part of heaven right here on earth at 4-0-33
And our love's on the day you can see many people
drive by
For look at the house they think they fell from the sky
They say that this place would make them as happy as
you and me
And the whole town's tryin' to buy our house at 4-0-33

The four thousandth block...
Oh all around the house you can see little children
play...
We're not gonna sale our happy little house at 4-0-33
Wouldn't take a pretty thing for the love we had at 4-0-
33

I DON'T LOVE YOU ANYMORE

(Bill Anderson)

© '57 Moss Rose Publications

I don't love you anymore like the way I did before
And since you've found someone new I think it's best
I don't try and walk the floor I don't love you anymore
Trouble is I don't love you any less
I don't love you anymore for I've got no more love to
give
You drained my heart of all its love with every sweet
caress
I keep saying o'er and o'er I don't love you anymore
Trouble is I don't love you any less
I held you close to me one time I kissed your lips and
called you mine
But another came and thrilled you more I guess
I cried as you walked out the door I don't love you
anymore
Trouble is I don't love you any less
I don't love you anymore...
Trouble is I don't love you any less

LONELY KNOW MY SECRET

(Earl Montgomery)

© '66 Altam Music

There's a secret behind the smile you see
For this smile is just a part of me
But I know some can't see the signs
That show I'm hurtin' all the time
And the lonely know my secret they know you're on my
mind
There's a secret behind the lies you tell
For inside is where the sorrow lies
Cause I'm living like the lonely do
For they've lost someone they love too
And the lonely know my secret they know what I go
through
There's a secret behind the smile you see...
Yes the lonely know my secret they know I still love you

THE WORLD OF FORGOTTEN PEOPLE

(Loretta Lynn)

~f~« ~f~© '63 Sure-Fire Music ~f~»

I live in the world world of forgotten people
Who've loved and lost their hearts so many times
I'm here in the world world of forgotten people
Where every heart is aching just like mine
Well I've loved and I'd been loved but I had the reckless
heart
And the many dreams I had are torn apart
Now I find that I was wrong too late I'm all alone
Alone in a world of broken heart
I live in the world world of forgotten people...
[steel]
I live in the world world of forgotten people...

I WOKE UP FROM DREAMING

(Dallas Frazier)

~f~« ~f~© '66 Blue Crest Music ~f~»

We both have a morning cup of coffee
And with tender love you reach and touch my hand
And my son comes in and says good morning daddy
And I say how's daddy's little man
Then I woke up from dreaming I woke up from
dreaming
I keep dreaming you're not gone but I'd found myself
alone
When I woke up from dreaming
We're both making plans for the future
Of the joy that we want to give our son
We'd say almost enough to buy a new home
A home filled with love and fun
Then I woke up from dreaming...
Then I woke up from dreaming

OLD BRUSH ARBORS

(Darrell Edwards - G. Ardis)

~f~« ~f~© '66 Glad Music ~f~»

(Old Brush Arbors by the of the road)
I remember them so clearly mom and dad loved them
so dearly
Old brush arbors by the side of the road
Where I learned about salvation from the book of
revelations
In an arbor by the side of the road
Old brush arbors by the side of the road
Where a sinner could lay down his heavy load
It was in those old brush arbors troubled souls found

peaceful harbors
Brush arbors by the side of the road
Many times I have departed from the way of life I
started
In an arbor by the side of the road
But each time the devil's caught me I remembered
what they taught me
In brush arbors by the side of the road
Old brush arbors by the side of the road
Where the mighty light of God's great mercy flood
There was prayin' shoutin' singin' till the country side
was ringin'
Brush arbors by the side of the road
Old brush arbors by the of the road
