Well, I really had a fall last night
I held all the pretty girl tight
I was feelin' single but seein' double
And wound up in a whole lotta trouble
The day I face a big fight
But I really had a fall last night.

I came home from work this mornin'
My little womans was a-feelin' low
She told me what was on her mind
And she told me where I could go.

Well, I didn't go where she told to to
'Cause the water was cold in the lake
There's something fishy 'bout this whole deal
I'm gonna see where I made a mistake.

Well, I really had a fall last night
I held all the pretty girl tight
I was feelin' single but seein' double
And wound up in a whole lotta trouble
The day I face a big fight
But I really had a fall last night.

--- Instrumental ---

Well, when I opened the door this mornin'
Like me the sun was high
I started walkin' the long way home
Just to think of an alibi.

Well, I couldn't think of a doggon thing
That I hadn't already said
Guess I better play it by ear
For I'm already dead.

Well, I really had a fall last night
I held all the pretty girl tight
I was feelin' single but seein' double
And wound up in a whole lotta trouble
The day I face a big fight
But I really had a fall last night...
