(Girl you sure know how to say goodbye)  
You kissed me and you said I was a gentleman to you  
You said I was a person you could trust  
You told me that you love me in a way that couldn't die  
Girl you sure know how to say goodbye

You kissed me in a way you never did when love was  
right  
Girl you sure know how to say goodbye  
I stood and watched you walk away and I didn't even  
cry  
Girl you sure know how to say goodbye

You gave me that old pep talk as you cried on my  
sleeve  
You said that you'd come running day or night  
You said that I could call on you throughout my lonely  
life  
Girl you sure know how to say goodbye

You kissed me in a way you never did when love was  
right  
Girl you sure know how to say goodbye  
I stood and watched you walk away and I didn't even  
cry  
Girl you sure know how to say goodbye
