Not long ago while dancin'
Our eyes by chance did meet
Though you were with your boyfriend
You swept me off my feet.

So foolishly as I cut in
To hope for new romance
I hardly had you in my arms
When someone sought your glance.

Your just a giveaway, giveaway, giveaway girl
You're careless with your charms
Just like a giveaway, giveaway, giveaway girl
You'll never get in anyones arms.

--- Instrumental ---

You're everybodys sweetheart
You never stick to one
You'll play the field forever
As long as you have fun.

You'll take almost and bandit
You love varity
Whoever might be handy
You'll fall for stupidly.

Your just a giveaway, giveaway, giveaway girl
You're careless with your charms
Just like a giveaway, giveaway, giveaway girl
You'll never get in anyones arms.

--- Instrumental ---

You give your kisses freely
You throw your heart away
You never stopped to think
That someday you will have to pay.

But by the time you wake up
You're best days will be gone
The sweetest words that you will hear

Will be, please leave me along.

Your just a giveaway, giveaway, giveaway girl
You're careless with your charms
Just like a giveaway, giveaway, giveaway girl
You'll never get in anyones arms.

--- Instrumental ---

Your just a giveaway, giveaway, giveaway girl
You're careless with your charms
Just like a giveaway, giveaway, giveaway girl
You'll never get in anyones arms.

You're just a giveaway, giveaway, giveaway, giveaway
Giveaway, giveaway, giveaway, giveaway...
