In a pawn shop in Chicago  
On a sunny summer day  
A couple gazes at the wedding rings  
There on display

She smiles n' nods her head  
As he says, "Honey, that's for you  
It's not much but it's the best  
That I can do"

Golden rings with one tiny little stone  
(Golden ring)  
Waiting there for someone to take you home  
(Waiting there)

By itself it's just a cold metallic thing  
(By itself)  
Only love can make a golden wedding ring

In a little wedding chapel, later on that afternoon  
An old upright piano plays that old familiar tune  
Tears roll down her cheeks  
And happy thoughts run through her head  
As he whispers low, "With this ring, I thee wed"

Golden ring with one tiny little stone  
(Golden ring)  
Shining ring, now, at last, it's found a home  
(Shining ring)

By itself, it's just a cold metallic thing  
(By itself)  
Only love can make a golden wedding ring

In a small two room apartment  
As they fought their final round  
He says, "You won't admit it  
But I know you're leavin' town"

She says, "One thing's for certain  
I don't love you any more"  
And throws down the ring

As she walks out the door

Golden ring with one tiny little stone

(Golden ring)

Cast aside like the love that's dead and gone

(Cast aside)

By itself it's just a cold metallic thing

(By itself)

Only love can make a golden wedding ring

In a pawn shop in Chicago

On a sunny summer day

A couple gazes at the wedding rings

There on display , golden ring
