HEARTS IN MY DREAM

Writers George Jones, Roger Miller

I dreamed that all the hearts I've broken came to visit
me

And in my sleep they came to pay me for their misery
They were all so torn and shattered, Oh such tales of
woe

It was I who caused them all and my conscience hurts
me so

Hearts in my dream

Each one of them true

Each one loved me so

Each one I broke in two

My younger days were wild and reckless

Just love 'em and let 'em be

Those days are gone although it took a dream to make
me see

Hearts in my dream

Each one of them true

Each one loved me so

Each one I broke in two

My younger days were wild and reckless

Just love 'em and let 'em be

Those days are gone although it took a dream to make
me see
