For years we both have lived on pride, dear
And we agree that love is gone
Why, oh why do we keep tryin'?
A house without love is not a home

The lovelight in your eyes has faded
And I'm contented just to roam
We slaved to gain a worthless treasure
A house without love is not a home

No matter where our footsteps wander
I know we'll both be all alone
With the pride that came between us
A house without love is not a home

The simple things have gone forever
We wanted wealth to call our own
And now we've reached the hour of parting
A house without love is not a home
