I know there's never been a man in the awful shape I'm  
in  
I can't even spell my name, my heads in such a spin  
Today I tried to eat a steak with a big old tablespoon  
You got me chasin' rabbits, walkin' on my hands  
And a-howlin' at the moon.

Well look, I took one look at you  
And it almost drove me mad  
And then I even went and lost what little sense I had  
Now I can't tell the day from night, I'm crazy as a loon  
You got me chasin' Rabbits, pullin' out my hair  
And a-howlin' at the moon.

--- Instrumental ---

Some friends of mine asked me to go out on a huntin'  
spree  
'Cause there ain't a hound dog in this state  
That can hold a light to me  
I eat three bones for dinner today, then I tried to tree a  
'Coon  
You got me chasin' Rabbits, scratchin' fleas  
And a-howlin' at the moon.

I rode my horse to town today and a gas pump we did  
pass  
I pulled 'I'm up and I hollered whoa!, said fill 'em up  
with gas  
The man picked up a monkey wrench and wham!,  
He changed my tune  
You got me chasin' rabbits, spittin' out teeth  
And a-howlin' at the moon.

I never thought in this old world a fool could fall so  
hard  
But honey, baby, when I fell the whole world  
Must have jarred  
I think I'd quit my doggish ways  
If you'd take me for your groom  
You got me chasin' rabbits, pickin' out rings  
And a-howlin' at the moon...
