I ain't as old as I once was  
I still got what it takes  
I'm here to tell you that because  
I learnt from all of my mistakes  
Or I could chase a tornado  
You'll know when life gets you down  
A broken heart's in the racket  
I ain't ever slowing down

[Chorus]

I ain't ever slowing down  
I ain't getting any older  
I'm still here I'm still around  
And I ain't ever slowing down

The pretty women drive me crazy  
That's why I'm acting this way  
I'm a lover not a father  
And this could be your lucky day  
Oh I'm the life of the party  
Where I can always be found  
I'm everything to everybody  
I ain't ever slowing down

[Chorus]

I ain't ever slowing down  
I ain't getting any older  
I'm still here I'm still around  
I ain't ever slowing down

You gotta use it or you'll lose it  
Then you're six feet under ground  
Me I'ma just-a getting started  
I ain't ever slowing down

[Chorus]

I ain't ever slowing down  
I ain't getting any older  
I'm still here I'm still around  
I ain't ever slowing down
