When your born you enter in
Your world that's filled with sin
But when you die you'll live again
If you just believe.

And when this life on earth is through
We'll all be judged by what we do
And the trumpet of the Lord shall sound
But the grave can't pull me down.

'Cause I can live forever
When I go to heaven
Lord, I can talk to Jersus
Yes, I can see the Lord.

And can't you just imagine
Living in His mansion
Walkin' through His kingdom
The kingdom of the Lord.

--- Instrumental ---

On the cross of Calvary
Jesus died for you and me
And if you'll just believe in Him
You can live with Him, my friend.

I can live forever
When I go to heaven
Yes, I can talk with Jesus
I can see the Lord.

Now can't you just imagine
Living in His mansion
And walkin' through His kingdom
The kingdom of the Lord.

Walkin' through His kingdom
The kingdom of the Lord.

I can live forever...
