I don't want no strangers footsteps in my bedroom  
Pulling down my window shade and messin' up my  
spread  
I don't want nobody fluffing up my pillow  
I don't want no stranger sleepin' in my bed

If I have to cross the world without you  
Always keep in mind what I said  
I don't want nobody's arms around me  
I don't want no strangers sleepin' in my bed

I don't want no strangers footsteps in my bedroom  
Pulling down my window shade and messin' up my  
spread  
I don't want nobody fluffing up my pillow  
I don't want no stranger sleepin' in my bed

I guess that I still need some reassurance  
That keep those cheatin' thoughts out of my mind  
And though you never gave me thoughts about you  
Darlin', let me tell you one more time

I don't want no strangers footsteps in my bedroom  
Pulling down my window shade and messin' up my  
spread  
I don't want nobody fluffing up my pillow  
I don't want no stranger sleepin' in my bed

No, I don't want no stranger sleepin' in my bed
