Could be holding you tonight  
Could quit doin' wrong, start doin' right  
You don't care about what I think  
I think I'll just stay here and drink.

Hey, putting you down don't square no deal  
Least you'll know the way I feel  
Take all the money in the bank  
Think I'll just stay here and drink.

Listen close and you can hear  
That loud jukebox playing in my ear  
Ain't no woman gonna change the way I think  
I think I'll just stay here and drink.

Hurtin' me now don't mean a thing  
Since love ain't here I don't feel no pain  
My mind ain't nothing but a total blank  
I think I'll just stay here and drink...
