By George Jones

Capo 1st fret

D

The bars are all closed

It's four in the morning

Must have shut'em all down

A

By the shape that I'm in

D

I lay my head on the wheel

And the horn begins honking

The whole neighborhood knows

A D

That I'm home drunk again

Chorus:

G D

And if drinking don't kill me

A

Her memory will

G

I can't hold out much longer

D

The way that I feel

G D

With the blood from my body

G

I could start my own still

D

And if drinking don't kill me

A D

Her memory will

D

These will old bones they move slow

But so sure of their footsteps

A

As I trip on the floor and lightly touch down

D

Lord it's been ten bottles since I tried to forget her

A D

But the memory still lingers lying here on the ground

repeat chorus:
