(Give me a little kiss, will you honey? If you don't
somebody else will)

If you don't wanna kiss me, say so baby
Somebody else will, somebody, somebody else will,
somebody else will

If you don't wanna kiss me, say so baby
Somebody else will, somebody, somebody else will
kiss me better

Well, I ain't a gonna beg you for your love anymore
Ever since the first time, I have done learned the score
Well, I thought I had to have you once with that's in the
past
Now I found out I'm free from you, yeah, I'm free at last

If you don't wanna hold me, say so baby
Somebody else will, somebody, somebody else will,
somebody else will

If you don't wanna hold me, say so baby
Somebody else will, somebody, somebody else will
hold me better

If you don't wanna love me, say so baby
Somebody else will, somebody, somebody else will,
somebody else will

If you don't wanna love me, say so baby
Somebody else will, somebody, somebody else will
soothe me better
