You've got to run to win the race  
Go along the way and quick the pace  
So remember when you're worried faith is fallin' down  
That you got to bear a cross if you want to wear a crown.

Our Lord is testing us each day  
He'll try us out in every way  
So don't dispair when burdens fall around  
You got to bear a cross if you want to wear a crown.

--- Instrumental ---

We've seen some men rise to the top  
Then fall apart if they should drop  
They can't live on without their wealth  
They blame the Lord above and they never blame themselves.

Out of these fallen some will rise  
Accept their fate and realize  
That their own trial to God they'll hear the trumpet sound  
That you got to bear the cross if you want to wear a crown...
