Medley:

I'll Share My World With You:

I'll share my world with you, everything that I own
My earthly possessions, they're no good if I'm alone
Let me bring you the sunshine when it's fresh with
morning dew
Can't you see that I'm waiting to share my world with
you.

Window Up Above:

(George Jones)

I've been living a new way of life that I love so
But I can see the clouds are gath'ring and the storm
will wreck our home
For last night he held you tightly and you didn't even
shove
It's true for I've been watching from the window up
above.

The Grand Tour:

(Norro Wilson - Carmol Taylor - George Richey)

Step right up, come on in if you'd like to take the grand
tour
Of a lonely house that once was home sweet home
I have nothin' here to sell you, just some things that I
will tell you
Some things I know will chill you, oh, to the bone.

Over there, sits the chair where she'd bring the paper
to me
And sit down on my knee and whisper, oh, I love you
But now she's gone forever and this old house will
never
Be the same without the love, oh, that we once knew.

Walk Through This World With Me:

(Sandy Seamons - Kaye Savage)

Walk through this world with me, go where I go
Share all my my dreams with me, I need you so
In life we search and some of us find
I've looked for you a long, long time.

And now that I've found you, new horizons I see
Come take my hand and walk through this world with
me.

Come take my hand and walk through this world with
me...
