Yes, I'm gonna change everything
That holds a memory of you
Woa! yeah. humm, oh yeah.

I'm gonna start with the walls
Take the pictures off the walls and burn 'em
Move the chairs around
Take the window curtains down and burn 'em
Everything I see reminds me you were here.

Yes, I'm gonna change everything
That holds a memory of you
Woa! yeah.

The candleabra set
You gave me on the night of my birthday
The records that you bought
The hi-fi we loved to play
The decorating man will come and rearrange them.

Yes, I'm gonna change everything
That holds a memory of you
Woa! yeah.

--- Instrumental ---

Take the carpet off the floor
Throw it out the door, it's filled with tears
Everything I find
That brings you to my mind must disappear
Every night I dream
I'll dream of someone new.

Yes, I'm gonna change everything
That holds a memory of you
Woa! yeah, humm, oh yeah, humm, oh yeah...
