Well, I've been honky tonkin' in Texas on a Saturday
night
Danced myself out into the floor
Luchenbach, Texas an' the neon lights
Everybody's screamin' for more

It just don't get any better than this
That's about as good as good ever gets
If there's anythin' better, it's somethin' I missed
It just don't get any better than this

I have chased that lonesome whistle, rollin' down the
line
It's a feelin' that's hard to explain
But an Okie from Muskogee, leave his blues behind
Ridin' on a fast movin' train

It just don't get any better than this
That's about as good as good ever gets
If there's anythin' better, it's somethin' I missed
It just don't get any better than this

Way down in Louisiana, down in New Orleans
Oh, I found one of life's greatest frills
While you were in the bayou, George
With sweet Marie [Incomprehensible]
I was in Detroit City, makin' Coupe DeVilles

It just don't get any better than this
That's about as good as good ever gets
If there's anythin' better, it's somethin' I missed
It just don't get any better than this

It just don't get any better than this
That's about as good as good ever gets
If there's anythin' better, it's somethin' I missed
It just don't get any better than this
